Sustainable Hotels

HELP OUR ENVIRONMENT
We're in it together because that means it's for everyone. Today, here and for the future.

- If you opt to have fresh towels, please place them in your "request" basket. If you opt to reuse your towels, please hang them in your bathroom.

HELP OUR ENVIRONMENT
We have a lot of great ideas for you to help us reduce our carbon footprint. Please help us do our part by recycling and reusing. Thank you for your help in making a difference.
• If you are not using the towels, please place them in your "reuse" bin. If you are not using the towels, please hang them in your bathroom.

...ing engineering programs
without my knowlege. For this
reason, I just connect with St
Clements as a friend and to
maintain the existing relationship
but I focus on our own IQY
Business. David met Dr Sam Man
Keong of SIET in Singapore to seek
St Clements Cambodian programs
to be accredited by SIET but the
information from web regarding St
Clements caused SIET to face the
difficulties to accept St
Clements . Furthermore, teaching
resources are the main thing for
accreditation in this case IQY got
very strong position .
Now we are providing APEC
Engineer Certificate programs by
collaborating with SPE International
at USD 200. You can inform Turkish
students as well .

OK. That's great news.

I understand you very well.

I am aware of everything.

For us IQY Degrees, APEC Engineer
Certificate , SIET Recognition, SPE
International Recognition , not to
share with SCPU or St Clements so
that we can protect our interest
